This is an update article on how to dress the body shape of the hourglass with some new shopping options with the trends of spring and summer 2021. In this part of Dressing for Your Body Type Seriesâ We'll take a look at the figure of an hourglass. Features of the well-defined (straight) Waisthip and Bust cypsy body tend to be almost the same and rather large the hourglass is seen by many as the ideal body shape, although it may also present some challenges if you have a significant bust. You may also have collected some weight around the abdomen area in which case you will also have some features of the type of body of Apple. You can see tips here on how to dress the shape of the apple body. Celebrities with the shape of the body of the hourglass Some celebrities with this body form include: Marilyn Monroaquel Welchnigella Lawsonsalma Hayek Andchristina Hendricks So, if you have a figure of hourglass, you are definitely in good company! The track looks for inspiration on how to dress the hourglass while many designers meet the rectangle or the reverse triangle because many models are built in this way, there are others who celebrate the shape of the hourglass and do not pull away from women with bust and larger hips. If you are looking for inspiration on catwalks, then the slopes of Dolce & Gabbana, Alexander McQueen and Roland Mouret are good shows to look for. ROLAND MOURET â€ "Dolce & Gabbana - Alexander McQueen The dressing goal for your body type for your hourglass would like to accentuate your very feminine body so clothes (in the right places) are fundamental. Another goal could be to stretch your legs. You're lucky in your body is already balanced. Your bust and hips are around the same size. Other forms of the body will find that they have to add balance. So you will want to keep the balance you have and avoid adding any µ £l with your clothes. If you add ruches or extra width to your envelope, for example, you will lose your ideal shape to flexibly and end up looking â€ œTop heavyly . If you add an additional width to your life with boxy styles, you look heavier than you really are because your adorable form will be born. Nikki (above) shows a good dress for the figure of hourglass as it accentuates life. Take a look at these dresses printed by Fraiche da J, Eliza J and Amazon, which you can wear with these similar boots. So, now we have looked at what you shouldn't do â€ â€ â€
